

**EIS 2026**  
ELNET JERUSALEM SUMMIT  
NOVEMBER, 22-24 · ISRAEL

EUROPE-ISRAEL STRATEGIC SUMMIT

A DEFINING MOMENT FOR EUROPE AND ISRAEL

# ABOUT THE SUMMIT

The ELNET Jerusalem Summit (EJS) brings together 500 senior leaders from Europe and Israel, including ministers, parliamentarians, security experts, industry leaders, policymakers alongside select participants from the Gulf states and the United States.

At a time of profound geopolitical transformation, the Summit provides a high-level platform to align strategic priorities, strengthen cooperation, and engage directly on shared challenges.

## WHY NOW

EUROPE, ISRAEL, AND THE WIDER MIDDLE EAST ARE FACING A MOMENT OF STRATEGIC UNCERTAINTY AND OPPORTUNITY:

- Evolving regional dynamics following the Iran war
- Emerging diplomatic openings in the region
- Rapid transformation of Europe's security environment
- Strategic importance of connectivity corridors (IMEC)
- Pressure on Israel's role in European innovation frameworks
- Rising societal and political tensions across Europe

THIS IS A DECISIVE MOMENT, REQUIRING IMMEDIATE, HIGH-LEVEL ENGAGEMENT TO SHAPE THE FUTURE OF EUROPE-ISRAEL RELATIONS AND REGIONAL COOPERATION.

## OBJECTIVES

- Rethink Europe - Israel strategic alignment
- Establish a leading platform for engagement
- Enable direct dialogue between decision-makers
- Advance cooperation across key sectors
- Contribute to shaping Europe's long-term approach toward Israel
